Mark:

Just to clarify – your e-mail below says the call is on the 10<sup>th</sup>. I think that may be a mistake because we had been discussing the 4<sup>th</sup> and your invite was for the 4<sup>th</sup>. Just checking.

Thanks

Duncan

Mark:

The best time for DNR and DATCP is Thursday 4<sup>th</sup> at 9 or 10 am.

Attending in addition to myself will be:

Russ Rasmussen – DNR

Cheryl Heilman – DNR

Keith Ripp – DATCP

Paul Dedinsky – DATCP

Sheri Walz – DATCP

I have copied everyone from our side on this e-mail so if you could reply to all when you respond with a date and time that would be helpful.

Thank you

Duncan

**Subject:** WDNR to DATCP, CAFO Transfer

Greetings Duncan,

I am the EPA lead on the transfer of the NPDES CAFO program from WDNR to DATCP. When EPA received the regulatory crosswalks there was discussion about setting up a call to get the ball rolling. I am suggesting we look at the mornings of Oct 2 or 4 for the call. Additionally, I am not aware of all the parties needed on Wisconsin's part so your direction would be most helpful. If you have any questions or think I should make this inquiry of someone else, please let me know.

Thank you,  
Mark
